BUYING BULBS IN ADVANCE OF THE SEASON

We believe, it will be much to your advantage to provide early for your 1928 bulb needs.

Such action on the part of the buyer enables us to anticipate requirements and take advantage of early quotations, which are almost, if not always, invariably lower than prices ruling, when shipping season opens.

Buyers should bear in mind, that in making arrangements for their BULB NEEDS NOW, they have ALL TO GAIN, since we guarantee market prices at time of shipment. Act at once for your own interest.

Why We Can Supply You With **Bulb Stock To Advantage** 

Our establishments are located at central points, namely, New York and Chicago.

We advance duty, freight and all expenses, no charge is made for cases or packing, and our invoices show exactly the actual cost of merchandise placed on cars at American shipping points. "No extra charges to pay.

A force of trained employees, who "know bulbs," many of whom had a lifetime training in this particular line. Our experts visit the most prominent bulb-forcing centers during flowering season as well to keep in touch with the public demand, thereby insuring our customers varieties that are in keeping with the times.
